3. Message from Chairman / Secretary

"Education is not the filling of a pail, but the lighting of a fire."

Dear Parents, Teachers, Students, and Well-wishers,

As we conclude the academic session 2025–26, I reflect on our journey with immense pride and gratitude. Our institution has always stood for academic excellence, deeply rooted in core values and character building. This year has been a testament to that commitment.

Our focus this session has been to seamlessly blend traditional values with futuristic competencies, ensuring our students are not just exam-ready, but life-ready. We have heavily invested in upgrading our infrastructural capabilities and strengthening our teacher-training programs to keep pace with the evolving educational landscape.

I extend my heartfelt congratulations to the Principal, faculty, and students for their tireless efforts in raising the banner of our school high. As we look toward the future, we remain dedicated to nurturing critical thinkers, innovators, and empathetic leaders who will contribute meaningfully to society.

Thank you for your unwavering trust and partnership.

[Mr.Mahendra Wakase]

Vision

Our vision is to nurture young minds with quality education, strong values, creativity, and confidence, enabling every child to become a responsible and successful global citizen.

Achievements

This academic year, our school proudly achieved excellent academic results along with remarkable participation in sports, cultural activities, competitions, and co-curricular events. Students showcased discipline, teamwork, and talent, bringing laurels to the school in various fields.

Future Goals

Our future goal is to continue providing holistic education through innovative teaching methods, skill-based learning, digital advancement, and personality development programs. We aim to inspire students to achieve excellence academically, socially, and morally while preparing them for future challenges.

4. Principal's Annual Report

Introduction and Compliance Overview

It gives me immense pleasure to present the Annual Report of our school for the academic year 2025–2026. The school has continuously worked towards providing quality education along with moral values, discipline, and holistic development of students. We strictly follow the guidelines and norms prescribed by the education board and authorities regarding academics, safety, hygiene, infrastructure, and student welfare. Various training programs, academic planning, and safety measures were effectively implemented throughout the year to ensure a healthy and progressive learning environment.

Student Performance

Our students have shown commendable performance in academics, sports, cultural activities, and co-curricular competitions. The school proudly achieved excellent results in examinations, reflecting the hard work and dedication of students and teachers. Students actively participated in Olympiads, art competitions, sports events, and inter-school activities, bringing pride and recognition to the institution. Equal importance was given to personality development, communication skills, and value-based learning.

School Development

The school continued its journey of growth and development by enhancing academic resources, digital learning facilities, and student-centered teaching methods. Special focus was given to improving classroom learning experiences through innovative activities, smart teaching techniques, and practical learning approaches. The management and staff worked together towards maintaining a safe, disciplined, and motivating atmosphere for students.

Activities Conducted

Throughout the academic year, various educational, cultural, and social activities were conducted to encourage creativity, confidence, and teamwork among students. Celebrations such as Independence Day, Janmashtami, Navratri, Hindi Diwas, Republic Day, Sports Day, Annual Day, and other important occasions were organized enthusiastically. Students also participated in competitions, art and craft activities, dance performances, yoga sessions, educational programs, and awareness campaigns, making learning enjoyable and meaningful.

5. School Profile

Name of School	SARA PUBLIC SCHOOL
Affiliation No.	
School Code	
Year of Establishment	2024
Classes	13
Medium of Instruction	ENGLISH
Total Students	315
Total Staff	34 (Teaching& Non-Teaching Staff)

6. Academic Achievements

Results Analysis

- The overall result analysis reflected excellent academic performance, consistent progress, and dedicated efforts of students and teachers.
- A remarkable number of students secured distinction and first-class results, showcasing the school's commitment towards quality education.

Olympiads

During the academic year 2025–2026, students actively participated in SOF Olympiad examinations such as SOF & Manthan

These examinations helped enhance students' confidence, knowledge and competitive spirit.

Subject achievements

Students showed excellent performance in subjects like Mathematics, Science, English Language and Social Studies during the academic year 2025–2026.

Their achievements reflected dedication, hard work and academic excellence.

Remedial classes

Remedial classes were conducted regularly during the academic year 2025–2026 to provide additional support and individual attention to students for improving their academic performance and confidence.

Skill education

Skill Education activities were conducted during the academic year 2025–2026 to enhance students' creativity, communication, critical thinking and practical learning skills for overall development.

7. Co-Curricular Activities

Art & Craft

Arts and Craft activities were conducted to encourage creativity, imagination and artistic skills among students, helping in their overall personality development.

Debate

Debate competitions were conducted to develop students' public speaking abilities, critical thinking and confidence. These activities encouraged students to express their ideas, improve communication skills and participate actively in healthy discussions.

Cultural Programs

Various cultural programmes such as Independence Day Celebration, Janmashtami, Navratri, Republic Day and Talent Showcase were conducted with great enthusiasm.

These programmes helped students showcase their talents, boost confidence and promote cultural values and team work.

8. Sports Achievements

Students enthusiastically participated in various DSO Games conducted during the academic year and showcased excellent sportsmanship and talent. Many students performed remarkably well at district-level competitions, and selected students proudly represented the school at the State Level competitions. These achievements reflect the school's commitment towards physical fitness, discipline, and holistic development of students. Students enthusiastically participated in various DSO Games conducted during the academic year and showcased excellent sportsmanship and talent. Many students performed remarkably well at district-level competitions, and selected students proudly represented the school at the State Level competitions. The school also conducted Yoga sessions regularly for the physical and mental well-being of students. Along with this, students were trained in various indoor and outdoor games, helping in their skill development, fitness, teamwork, and knowledge enhancement. These achievements reflect the school's commitment towards holistic development and overall personality growth of students.

9. Staff Development

During the academic year, the school conducted various staff development and capacity-building programs to enhance the professional skills and teaching competencies of educators. Workshops, seminars, training sessions, and orientation programs were organized on innovative teaching methodologies, classroom management, digital learning, experiential education, and NEP implementation.

Teachers actively participated in these programs with great enthusiasm and dedication, which helped in upgrading their knowledge, improving teaching practices, and creating a more engaging and student-centered learning environment. The school remains committed to empowering its faculty through continuous professional development and lifelong learning opportunities.

Teacher Orientation Program

Teacher Orientation Programs were conducted at the beginning of the academic session to familiarize educators with academic planning, CBSE guidelines, school policies, teaching methodologies, and NEP implementation. These sessions helped teachers strengthen their professional skills and ensure effective classroom management and quality education.

10. Infrastructure Development

Smart classrooms	The school continued to promote digital learning through Smart Classrooms equipped with modern audio-visual teaching aids and technology-enabled learning resources. These interactive teaching methods made learning more engaging, effective, and student-friendly.
Library enhancement	The school library was enriched with new books, reference materials, learning resources, and educational journals to promote reading habits, research skills, and independent learning among students. The upgraded library facilities continue to support academic excellence and intellectual growth.
Labs	The school provided well-equipped Science, Mathematics, and Computer Laboratories to promote practical learning, creativity, and analytical thinking among students. These laboratories helped students gain hands-on experience and enhanced their understanding through activity-based and technology-integrated learning.
CCTV	The entire school campus and all classrooms are equipped with CCTV surveillance systems to ensure safety, security, and a disciplined learning environment for students and staff. Continuous monitoring helps maintain a secure and student-friendly atmosphere within the school premises.
Fire safety	The school has implemented proper fire safety measures across the campus to ensure the safety and well-being of students and staff. Fire extinguishers and safety equipment are regularly maintained, and awareness regarding emergency safety procedures is provided to create a secure school environment.
Playground development	The school continued to enhance playground facilities to promote physical fitness, sportsmanship, and overall development of students. A safe and well-maintained playground environment encourages active participation in sports and recreational activities.

11. Health, Safety & Inclusiveness

Medical checkup

During the academic year, the school conducted regular health and medical check-up camps for students to promote health awareness and overall well-being. General health examinations along with dental check-up sessions were organized to encourage healthy habits, hygiene, and preventive healthcare among students.

Disaster management

The school conducted Disaster Management Awareness programs to educate students and staff about safety measures, emergency preparedness, and responsible actions during emergencies. These sessions helped create awareness about safety practices and promoted a secure and alert school environment.

POSH / POCSO awareness

POSH / POCSO Awareness programs were conducted in the school to ensure a safe, secure, and respectful environment for all students and staff. Sessions focused on child safety, protection rights, good touch and bad touch awareness, and workplace dignity and sensitivity.

Inclusive education Counselling support

During the academic year, the school counselor conducted various counseling and guidance sessions to support inclusive education and the emotional well-being of students. These sessions focused on confidence building, positive behavior, stress management, and creating a supportive and inclusive learning environment for all students.

12. Community Outreach / Social Activities

Swachh Bharat

Under the Swachh Bharat Abhiyan, cleanliness awareness activities were conducted in the school to promote hygiene, sanitation, and environmental responsibility among students. Students actively participated in cleanliness drives, poster-making, and awareness programs to encourage a clean and healthy surrounding.

Tree plantation

Tree Plantation activities were conducted in the school to create awareness about environmental conservation and the importance of greenery. Students enthusiastically participated in planting saplings and learned the value of protecting nature for a healthier future.

Awareness rallies

Awareness rallies were organized by the school on various social and environmental issues to spread important messages among the community. Students actively participated with slogans and placards, promoting awareness about cleanliness, health, safety, and environmental protection.

13. Future Plans

Expansion and Infrastructure Development

The school aims to continue its growth by upgrading infrastructure and creating a more student-friendly learning environment. Plans are underway for the expansion of classrooms, activity areas, and facilities to accommodate the increasing educational needs of students. Special emphasis will be given to maintaining a safe, clean, and modern campus.

New Laboratories

To strengthen practical and experiential learning, the school plans to introduce and upgrade laboratories for Science, Computer Education, Mathematics, and Language Learning. These labs will help students develop analytical thinking, creativity, and hands-on learning experiences aligned with modern educational standards.

Digital Learning

The school is committed to enhancing digital learning practices through smart classrooms, audio-visual teaching methods, online learning resources, and technology-integrated education. Teachers will continue to adopt innovative teaching strategies to make learning more interactive, engaging, and skill-oriented for students.

NEP Implementation

In accordance with the National Education Policy (NEP), the school aims to implement activity-based learning, skill development programs, experiential education, and multidisciplinary approaches in teaching. Focus will be given to foundational literacy and numeracy, critical thinking, communication skills, and holistic development to prepare students for future academic and life challenges.

14. Vote of Thanks

I take this opportunity to express my heartfelt gratitude to the Management, Principal, teachers, non-teaching staff, parents, and students for their continuous support, dedication, and cooperation throughout the academic year.

I sincerely thank our respected dignitaries and guests for gracing the occasion with their valuable presence and encouragement.

A special appreciation to all the teachers and staff members for their tireless efforts in shaping the future of our students with commitment and care. I also extend my gratitude to the parents for their constant trust and support towards the school.

Lastly, I congratulate all our students for their enthusiasm, discipline, and achievements in academics, sports, and co-curricular activities.

Thank you everyone for being an important part of our school's journey towards excellence and success.
